

WALL-MOUNTED RACKS

Accessories LC-10

ZP-10-1-B

To the wall-mounted racks LC-10 you can buy different accessories, especially:

- blind flanges
- optical baths
- wire management panels
- shelves

10" standard

For proper installation of the keystones in the case of modular patch panels must be used a frame.

Surface treatment of 10" accessories is performed by powder technology in shades of light gray RAL 7035 or black RAL 9005.
