

LV15HP/CH

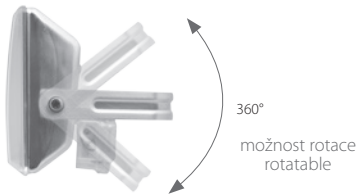

## LED VANA ALUMINIUM

**CZ** | Venkovní LED svítidla nahrazují klasické halogenové reflektory. Svítidla jsou vyrobena v líbivém hliníkovém designu a můžete zvolit i variantu s PIR senzorem.

**EN** | Outdoor LED lamp designed to replace classic halogen reflectors. These lamps are made in an attractive aluminium design and a version with a PIR sensor is also available.

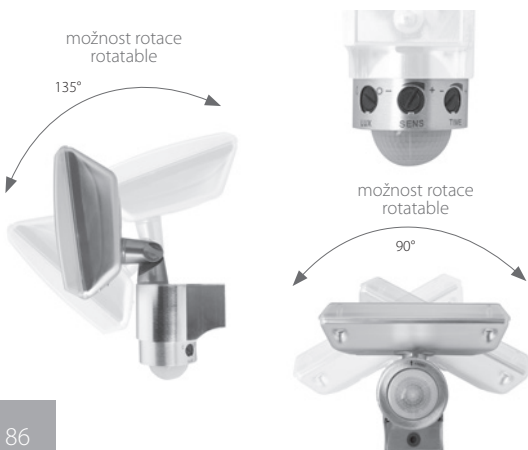

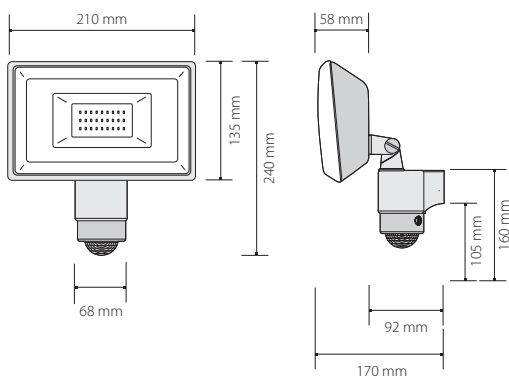

**DE** | LED-Außenleuchten ersetzen klassische Halogenscheinwerfer. Die Leuchten sind im attraktiven Aluminiumdesign hergestellt und man kann auch die Variante mit dem PIR-Sensor wählen.
