

PLAFONIERA TRIPLEX

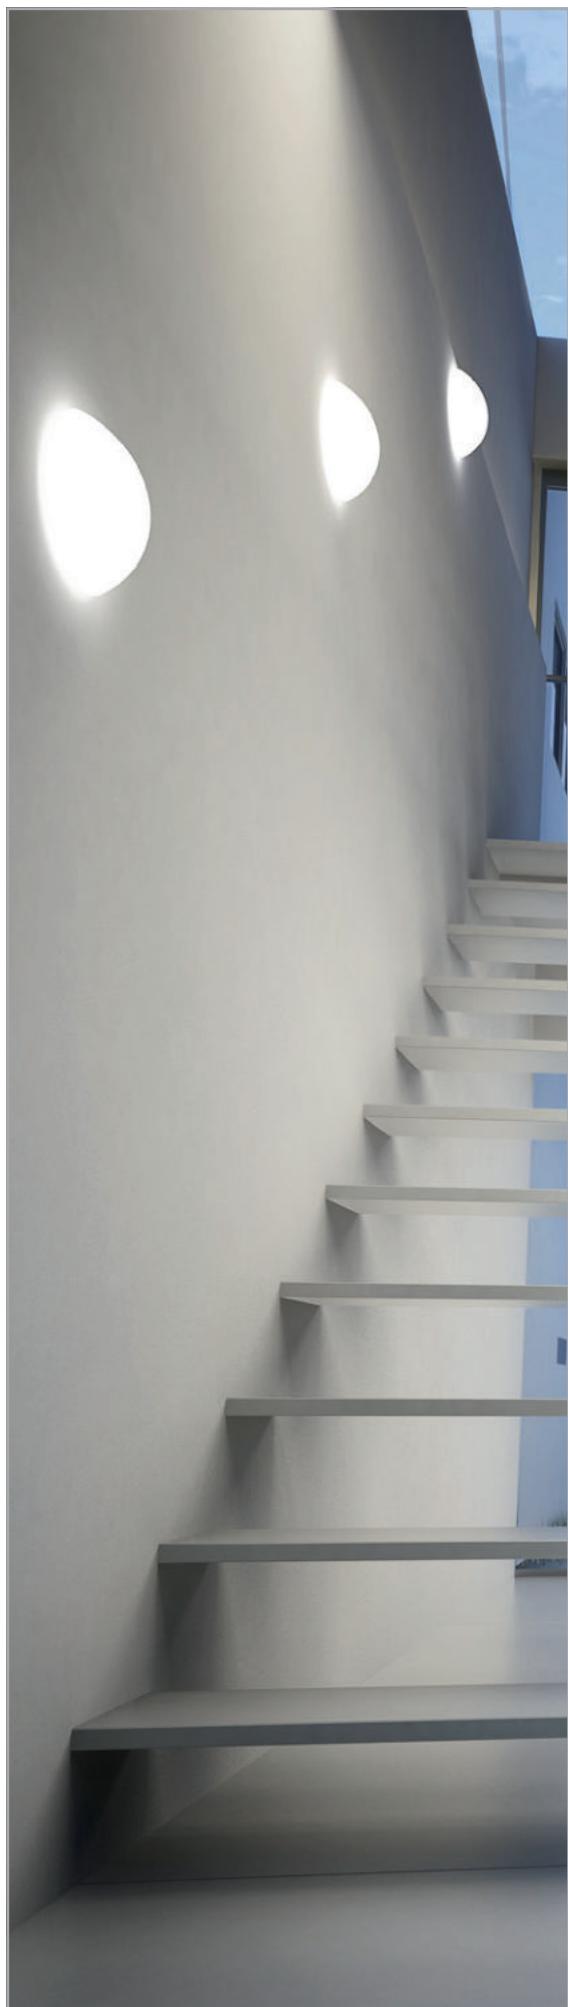

CZ | Přisazené svítidlo v různých velikostech a provedeních. E27 pro žárovky, G24 pro zářivky a s novým špičkovým LED modulem. Triplexopálový kryt zajistí příjemný rozptyl světla a nerušivý vzhled. Některé verze jsou vybaveny i RADAR senzorem, nebo inverterem pro nouzový režim.

EN | Surface lamp in several sizes and versions – for E27 bulbs, or G24 for CFL and also with the new professional LED module. Triplex opal glass shade provides a pleasant light effect and is non-intrusive in appearance. Some versions are equipped with RADAR sensor or emergency module.

DE | Eine nachgesetzte Leuchte in verschiedenen Größen und Ausführungen. E27 für Glühbirnen, G24 für Leuchtstoffröhren und mit dem neuen spitzenmäßigen LED-Modul. Der Triplex Opal Schirm sichert eine angenehme Lichtzerstreuung und ein störfreies Aussehen. Manche Versionen sind auch mit dem RADAR-Sensor oder einem Inverter für das Notregime ausgerüstet.
