

The label features the WAGO logo and the text 'INNOVATIVE CONNECTIONS' and '210-412'. It contains a circuit diagram showing a power source connected to a switch and a meter. Below this is a detailed cross-sectional diagram of the terminal block with orange wires, labeled 'TEST' and 'I', and numbered steps 1, 2, and 3. A warning symbol is present. At the bottom, there are three small diagrams showing correct and incorrect wire insertion methods, with a warning symbol for the incorrect method. The WAGO logo and '210-412' are printed at the bottom right of the label area.
