Cable entries for low voltages	2
Halogen-free	Yes
Packaging inner/dispatch	25/250

The low 35 mm installation depth makes the one-gang box ideal for installation in cavity walls with a small cavity. In addition, thanks to the zero tension technology, the one-gang box can be fitted securely in wall systems with thin boarding.

- · With zero tension technology for thin boarding
- · Low 35 mm installation depth
- · Cable entries with integrated cable retention
- · Device screws with flat countersunk head
- $\cdot$  For cables up to Ø 11.5 mm
