

## Wire-pull casings

## Extra-large flush-mounted junction boxes

<b>Order number:</b>	<b>9914.01</b>
EAN:	7611614037844
Length	250 mm
Width	105 mm
Depth	94 mm
Combination conduit entries M20/25	26
Combination conduit entries M20/25/32	2
Combination conduit entries M40/50/63	2
Number of nails	4
Dispatch	10

KAISER wire-pull casings ensure expert cable routing through conduit networks. According to DIN 18015-1, conduit lengths of more than 15 m and with more than two bends require wire-pull casings that allow cables to be added or retrofitted at any time. Wire-pull casings provide multiple conduit entry options and maximum free space to ensure a continuous cable network, including with subsequent changes to the electrical installation.

- Quick and secure installation using pre-inserted nails
- Clean stripping where exposed concrete is required
- High dimensional stability, no internal support required
- Multiple conduit entry options
- Stackable
