

B1 ceiling junction box

B1 universal ceiling exit

- Accessory mounting without drilling or dowels
- Box rear part with slot for light hook acc. to DIN EN 60670 (50 N)
- Grey front part design for facing concrete applications
- 2-part with moulded-on rear part
- Suitable for all types of formwork

Order number:	1265-13
EAN:	4013456551589
Length	100 mm
Width	90 mm
Depth	103 mm
Installation opening Ø	45 mm
Break-out openings for DIN EN Ø 20/25 mm conduits	7
Markings for cables up to Ø 16 mm	7
Number of parts	2
Packaging inner/dispatch	20/100

The new B1 ceiling boxes simplify installation on the ceiling formwork. The innovative conduit entries allow the easy laying of the conduits in multiple ceiling boxes arranged in a row without the need for cutting during laying work. The higher conduit entries make additional cut-outs of the reinforcement bars unnecessary, and speeds up the fitting of empty conduits on the ceiling.

- Suitable for all types of formwork
- Flat front part makes possible the trouble-free fitting of the reinforcement bars on the ceiling formwork
- Innovative conduit entries for fast fitting on the building site
- Plenty of installation space
- Fitting of a light hook acc. to DIN EN 60670
- The tried-and-tested KAISER colour system ensures fast testing of the installation
