

## ISN 36 SK STK 1000 (766 111)

- For use as switching, operating and earthing stick
- Handle closed with plastic plug-in coupling for extending the handle

| Type   | ISN 36 SK STK 1000                    |
|--|---------------------------------------|
| Part No.   | 766 111                               |
| Nominal voltage (U <sub>N</sub> )                    | 1 ... 36 kV                           |
| Total length (l <sub>c</sub> )                       | 1000 mm                               |
| Insulating clearance (l <sub>i</sub> )               | 525 mm                                |
| Handle length (l <sub>h</sub> )                      | 300 mm                                |
| Insertion depth (l <sub>o</sub> )                    | 175 mm                                |
| Standard (insulating stick)                          | DIN VDE V 0681-1                      |
| For  | Indoor and outdoor installations      |
| Material   | Glass-fibre reinforced polyester tube |
| Diameter   | 30 mm                                 |
| For use at   | ▲                                     |
| Supporting head for                                  | Hexagon shaft                         |
| Anti-rotation plug-in coupling including end fitting | Yes                                   |
| Type of device                                       | Insulating stick                      |
| Weight   | 560 g                                 |
| Customs tariff number (Comb. Nomenclature EU)        | 82055980                              |
| GTIN   | 4013364137295                         |
| PU   | 1 pc(s)                               |
